- 9-16 years old

Target Groups

Persons with special needs

Slovenia

Educational activities - The process

Drawing

**the following pictures have been collected and provided by project partners in compliance with EU Regulation 2016/679-GDPR*

Prepare a short presentation of the Baleria values with a guided debate about the topic

At the end of the conversation ask the participants to translate this conversation into an art product, and assist them during their work if they have any open questions.

Participants can sketch their drawing with the pencil first and colour the sketch afterwards. Participants can sketch their drawing with the pencil first and colour the sketch afterwards

Slovenia

Educational activities - Suggestions

**the following pictures have been collected and provided by project partners
in compliance with EU Regulation 2016/679-GDPR*

Drawing

When colouring, you can invite participants to use any kind of colours (dry, wet, glowing etc.) to have fun with their creativity

This type of activity can be implemented either inside (especially during non pleasant weather) or outside on the open
